

The following assignment was made available on gradescope. This is the set of questions presented to each group.

**Instructions:**

Please provide feedback to the group who presented the paper you wrote reaction notes for. Only fill out the form once as a group. Submit your response by 2pm on the day of the presentation.

When a group includes a group member in this gradescope submission, it is an implicit acknowledgement that that student is present in class. The honor code applies

1. Which paper is your feedback for?  
[List of papers provided]
2. What is **one thing** your group appreciated about the presentation?
3. What is **one thing** your group learned from the presentation (or was clarified further) outside of your own reading?
4. What is **one suggestion** for the presenters for how your group might have gotten more out of the presentation?
5. (Optional) If applicable, please indicate any of your group members that are absent today.
